Dear Fellow Professional:

On behalf of the Alabama Society of Professional Engineers, it is my pleasure to announce Friday, October 6, 2006 as the

2nd annual alabama engineering ethics day.

Because ASPE promotes licensure, professionalism and ethics, six chapters around the state will be offering 4 professional development hours focusing on ethics on **October 6, 2006 from 1:00pm to 5:00pm** at the locations listed below. The cost is only \$20 for Students and ASPE members and \$100 for non-members. This is an easy and inexpensive way of earning needed pdh's for license renewal. A registration form is included for your convenience. Seating may be limited, so don't delay—register now and attend a seminar near you!
